LK Expat is a new concept and an organisation formed to assist Sri Lankan expatriates, students, dual citizens who have numerous requirements to be attended to in Sri Lanka while they are living/working studying overseas or while visiting/holidaying in Sri Lanka. A survey in this respect was done and was found that they require an array of services which are listed below.(we offer over 50 services) We will service our clients, with quality, reliability and a professional service and take off your headaches, we will do the jobs that you want us to attend to and keep records of all what you need and send them to you at your convenience. To view descriptions of all the services we offer to our customers please refer the "SERVICES" section from the home page.
